Dear Dr. Hnatio,

This is in response to your April 2, 2014, letter in which you appealed the Department of Health and Human Services (HHS), Food and Drug Administration's (FDA) March 31, 2014, response to your Freedom of Information Act (FOIA) request. In summary, you sought records related to patents and/or copyrights for specific computer software tools.

Upon receipt of your appeal and the additional information you provided FDA re-opened your FOIA request (2014-2361). On May 23, 2014, FDA sent you with a prepayment letter which required payment by June 23, 2014.

FDA has informed me that they have closed your FOIA request on June 25, 2014, due to nonpayment of the FOIA related fees. Accordingly, I am closing this appeal (14-0273AA).

Sincerely,

for Carol Maloney
Director
