Dear requester:

This is in reply to your FOIA request to the Food and Drug Administration's Division of Freedom of Information Office, in which you are seeking, among other records, copies of yearly government ethics training for Dr. David Acheson from 2005 until his retirement.

FDA will provide the available responsive records for a total charge of \$281.75 (6 hours of search and review time at \$46 per hour). FDA also charges a standard \$5.75 Division of Freedom of Information processing fee for reading and interpreting your request.

Food and Drug Administration regulations at 21 CFR § 20.42 (d) (2) require prepayment when initial review of the request indicates that the charges will exceed \$250.00.

If you wish to receive the requested information, please submit payment by 5/11/14 in the amount \$281.75 by check or money order, with the above FOI file number made payable to Food and Drug Administration and mail with a copy of this letter to my attention to:
