Dear requester:

This is in reply to your FOIA request to the Food and Drug Administration's Division of Freedom of Information Office dated January 19, 2014, in which you asked a series of interrogatories. As previously explained in our letter dated March 10, 2014, some of the interrogatories will be handled outside of FOIA as general correspondence by the Center for Food Safety and Applied Nutrition. The remaining interrogatories will be handled as an FOIA request.

With respect to the items that will be processed under FOIA, FDA will provide the requested records for a total charge of \$ 2765.75 (60 hours of search and review time at \$46 per hour). FDA also charges a standard \$5.75 Division of Freedom of Information processing fee for reading and interpreting your request.

Food and Drug Administration regulations at 21 CFR § 20.42 (d) (2) require prepayment when initial review of the request indicates that the charges will exceed \$250.00.

If you wish to receive the requested information, please submit payment by 4/19/14 in the amount \$2765.75 by check or money order, with the above FOI file number made payable to Food and Drug Administration and mail with a copy of this letter to my attention to:
