

FREEDOM OF INFORMATION ACT REQUEST 3-17-1014

Food and Drug Administration
Division of Freedom of Information
Office of the Executive Secretariat, OC
12420 Parklawn Drive
ELEM-1029
Rockville, MD 20857

March 17, 2014

The Food and Drug Administration has pirated our copyrighted research, patent and trade secrets to plagiarize and duplicate our suite of computer driven software tools designed to enhance food safety and food defense.

Please provide copies of all documents showing FDA or HHS cooperation with foreign governments across the globe that involve the shared use, training, education, symposia, seminars or other demonstrations of the following :

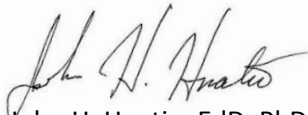

1. National Food Protection Plan
2. Food Defense Plan Builder
3. iRisk
4. Food Defense Mitigation Strategies Database
5. FREE-B
6. 2007 and beyond updates to C.A.R.V.E.R. plus Shock

Please include documentation showing the name of the event, the presenters, their official titles and their contact information and to who presented.

We request expedited processing since the results of this request may indicate the existence of gross fraud waste and abuse in the Food and Drug Administration. The existence of gross fraud waste and abuse involving employees responsible for the safety and security of the U.S. food supply represents a real and imminent threat to the safety of the U.S. public.

We also request that fees for providing the above information be waived based on the requestor's status as a free-lance journalist who intends to broadly publish the results of this Freedom of Information Act request.

Sincerely,

John H. Hnatio, EdD, PhD
Chief Science Officer
