Re: Letter dated January 19, 2014

Dear Mr. Hnatio:

I am writing in regard to your 66-page letter dated January 19. As your letter is a list of questions rather than a request for records, it has been forwarded to CFSAN for response under general correspondence. We expect CFSAN to complete its response approximately two weeks from today. To the extent CFSAN determines that any of the questions in your letter should be handled under the FOIA, your letter will be logged as an FOIA request.

Sincerely,

Sarah Kotler  
Deputy Director  
Division of Freedom of Information
