Ohio Attorney General Mike DeWine, Esq.
30 E. Broad St., 14th Floor
Columbus, OH 43215

Reference: Complaint No. 10291

Dear Attorney General DeWine:

On June 1, 2015, Dr. Jeffrey Wadsworth the President and Chief Executive Officer of Battelle Memorial Institute was served a "Constructive Notice", pursuant to §§ 1-308 (remedy), and; 1-103 (recourse) under common law as codified by the Uniform Commercial Code (UCC).

The Constructive Notice contained a sworn affidavit of truth that included 148 statements of fact and 46 exhibits of proof to demonstrate that the FDA colluded with the FDA to engage in anticompetitive conduct in violation of Sherman antitrust and other state and federal laws. A copy of the affidavit of truth presented to Dr. Wadsworth for rebuttal and all supporting exhibits can be viewed and downloaded for your use on-line at <http://www.jgpis.org>

Dr. Wadsworth was granted 45 days (15 more days than the 30 day limit codified under the law) in which to rebut the facts as presented to him in the affidavit. Dr. Wadsworth and Battelle Memorial Institute chose not rebut any of the facts as presented to them thereby "defaulting" at 11:59 PM on July 15, 2015. Default having occurred, the facts as set forth in the Constructive Notice are now established as conclusive and dispositive facts in all subsequent matters of law in accordance with Uniform Commercial Code §1-205.

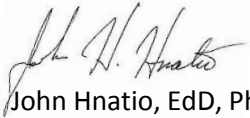

At this time and based on the now conclusive and dispositive facts under the law, we request that you open a formal inquiry into the facts and take appropriate sanctions against Dr. Wadsworth and Battelle Memorial Institute based on violations of civil and criminal laws of the State of Ohio and federal laws based on Dr. Wadsworth's public concession of guilt in this matter.

To assist you further, please visit <http://www.jgpis.org> and click on the link, *The Case of FoodQuestTQ*, for a detailed report written at the request of the Federal Bureau of Investigation with all supporting exhibits detailing the actions of Battelle Memorial Institute and others in this matter.

For unexplained reasons all federal law enforcement agencies contacted in this matter have failed to act. They will be contacted in similar fashion advising them of Dr. Wadsworth's and Battelle Memorial Institute's legal concession of guilt in this matter with a request to open similar inquiries based on violations of civil and criminal laws in the States of Ohio, Maryland, and the District of Columbia. We will provide you with these points of contact for coordination as soon as they become available.

If you wish to contact me for any reason please call at 240-439-4476 x-11. We stand ready to assist you in any and all ways possible. Thank-you for your efforts in protecting the citizens of Ohio and across the nation from predatory anticompetitive conduct.

Sincerely yours,

A handwritten signature in black ink, appearing to read "John Hnatio".
