Dear SA Marinko:

We have completed a report of matter of *FoodQuestTQ LLC v. the U.S. Government*. The report is supported by a comprehensive computerized library of documents. We have also prepared a brief PowerPoint slide presentation for your use.

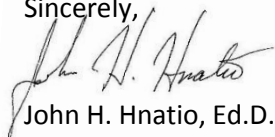

We will be sending you an invitation to “dropbox” that will allow you to access the report, supporting computer library of documents and the presentation. When you open the file in “dropbox” please click on **FoodQuestTQ LLC FBI (Final 9-4-2014)** and simply click on the embedded links to access the exhibits. You will also find the PowerPoint presentation by clicking on the file entitled **FBI PRESENTATION 9-4-2014**.

We seek the FBI’s permission to release a copy of the report and the supporting library of documentation to Ms. Trish Harris at the Office of Bar Counsel, District of Columbia, to support disciplinary complaints against Mr. Dale Berkley of the Office of General Counsel at the Department of Health and Human Services, Ms. Elizabeth Dickinson, Chief Counsel, and Ms. Ariel Seeley, Legal Counsel, at the Food and Drug Administration.

We would appreciate your prompt reply to our request for an investigation and your permission to release the report to the Office of Bar Counsel. We are available to the FBI at any time to review the report and supporting documentation with your investigators. Thank you for your assistance in this matter.

Sincerely,

John H. Hnatio, Ed.D., Ph.D.
