Dear John

As you know, a Memorandum of Agreement (MOA) was negotiated between Leavitt Partners Global Food Safety Solutions LLC ("GFSS") and FoodQuestTQ, LLC, signed by GFSS in July, 2012. The purpose of the MOA was for the delivery of certain professional services such as consultation, education and training by Drs. Acheson and McEntire of the GFSS team to FoodQuest TQ, as well as client referrals by FoodQuestTQ to GFSS.

The Leavitt Partners GFSS business is undertaking a new strategic direction, and as such, we have decided to terminate our partnership with FoodQuestTQ. Thus, this letter serves as official written notice of Leavitt Partners Global Food Safety Solutions LLC's intent to terminate the MOA and our partnership with FoodQuestTQ effective immediately as of the date of receipt of this letter.

In response to this termination request, we ask that you immediately remove all references to Leavitt Partners, Leavitt Partners Global Food Safety Solutions, Dr. Acheson, Dr. McEntire and all logos from any and all websites and other marketing materials--whether in written/paper, or electronic mediums. We request that you notify us in writing (e-mail is sufficient) when all references to our company and brand name/logos have been removed per this request.

We thank you for your prompt attention to this letter and wish you the best in your future endeavors.

Best Regards,
